HAPPY NEW YEAR

President's Message

There probably has never been a more important year to "Take It Back." Our current president is totally detached and ineffective. We need your help and participation to get this important job done. Joining our group is the first step to being a part of our history making. So as we go forward in 2012 we are optimistic that with your support we can "Take It Back" and return our country to its rightful place. I want to thank you for giving me the opportunity to be your president and I look forward to working with our outstanding board of officers. The board has already planned an exciting and informative year. So I hope to see you all on January 9th as we begin our mission to "Take It Back."

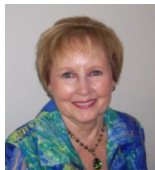

IT IS THAT TIME OF YEAR!

It is time for everyone - that has not already done so - to renew your RCRW Membership. We have a lot of work to do this election year and we need your help. Invite your friends and neighbors to join you. Please encourage them to attend the meetings and volunteer their time working on a committee of their choice.

Help us make 2012 a banner year of RCRW Women of Influence. Working together we can make this happen.

Look forward to seeing you at our meetings.

Jane Buie,
V.P. Membership
