Hope this newsletter finds you and your family safe and healthy. During this shelter-in-place time, please know your board is still working hard so that we will be ready to go as soon as our federal, state and local officials allow. If you, or someone you know as a member of our club, needs assistance during this difficult time, please let me or any other board member know. Also, if you have made any face masks for first responders, hospital or nursing home workers and just need delivery assistance, please let me or any other board member know.

The board anticipates we will be able to resume our monthly meeting and monthly happy hour in May. I look forward to seeing all of you soon.

## COMMUNITY OUTREACH

I am so excited that our first organization is Selah Creek. Selah Creek is a gospel-centered residential maternity home for women facing an unplanned or unsupported pregnancy. Through the sharing of the Gospel, discipleship and life planning, it is their goal to lead each resident to the Lord in a way that is real to her, resulting in lives changed for generations to come. For more information go to [www.selahcreek.org](http://www.selahcreek.org).

We will have a representative come and speak about Selah Creek so you can find out more about this great organization. All funds from our Spring Painting with a Purpose will go to benefit Selah Creek as well.
