RCRW Mission Statement

Promote an informed electorate through political education. Increase the effectiveness of women in the cause of good government through active political participation. Facilitate cooperation among Republican women of Texas. Foster loyalty to the Republican Party and promote its ideals. Work for the election of the Republican Party nominees.

FROM THE PRESIDENT

It's the most wonderful time of the year! I hope you were able to spend Thanksgiving with your loved ones and have plans to be together this Christmas.

As my term as your President comes to an end, I cannot help but reflect on the many accomplishments we have achieved over the last four years. Despite extraordinary challenges, we prevailed and RCRW won a National Club Achievement Award and also won a TFRW Club Achievement Award. Our membership grew to record numbers and we raised a significant amount of money for scholarships and programs. We made ourselves known throughout our community as

being more than just a political club by having our booth at events such as Bikes for Tykes, Rib Run, and Sheriff's Posse. We became supporters of City of Fate events and Royce City events, as well as local charitable events. Our members have registered hundreds of voters over the last four years, and our members have volunteered countless hours of time to numerous campaigns.

When I became President, it was my goal to increase this club's visibility in the community and make us stronger through information and education about our candidates and the Republican party. I wanted to make sure our members had access to their elected officials, knew what was going on in their community and felt comfortable talking about politics. I am proud of the work we have done together; but more importantly, I am so proud of our members that I have been blessed to work with and get to know better.

It has been an honor and privilege to serve as your President these last 4 years. I look forward to continuing to serve this club as your TFRW Regional Deputy President.

Have a Merry Christmas.

Tiffany L. Miller, RCRW President

PROGRAMS

Wow... I can't believe how quickly time has flown by and we are already heading into December. This is my last article as your Vice President of Programming, and I would like to say what a pleasure it has been to work with all our amazing speakers and to provide you with information to help move us towards the future and help build our community.

With that being said, I can't wait till next year and all the wonderful programs and events we have planned for you. Be sure to always check the website, Facebook and Instagram for events so you can join along.

I look forward to seeing you on December 12th for our Holiday Party held at the Rockwall Rotary Hall. More details will be provided in the newsletter.

Our next General meeting will be:

Date: January 12, 2023

Meeting Place: Harry Myers Community Center
815 E Washington St, Rockwall, TX 75087

Time: 6:30 p.m. – 8:00 p.m.

Liberty Ladies Lunching –

December 19, 2022 – 3rd Monday (change due to Christmas holiday)

Meeting Place: The Bagel Lady, Rockwall location

Meet in the back room

Time: 11:30 A.M. – 1:00 P.M.

Need a break from all the holiday cheers? Join us to reconnect with other Republican ladies and compare shopping stories. We look forward to having you join us.

RCRW Book Club –

We had a wonderful time discussing our last book - The Shoemaker's Wife. Adriana Trigiani did not disappoint.

Our next book choice is The Six by Laura Thompson. They were the Mitford sisters: Nancy, Pamela, Diana, Unity, Jessica, and Deborah. Born into country-house privilege in the early years of the 20th century, they became prominent as "bright young things" in the high society of interwar London.

We will be meeting on March 26th at Rosini's Vineyard from 2:00 – 4:00pm.

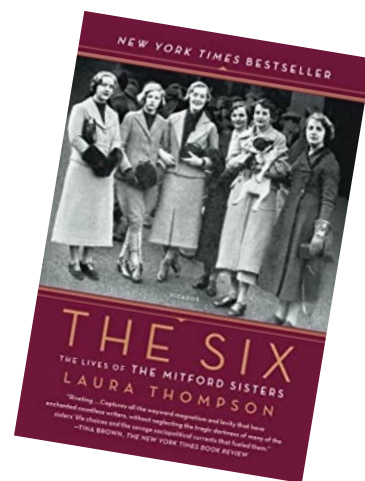

Be sure to mark your calendars now and join us for the next discussion.

Don't miss out on any events. Be sure to follow us on all social media platforms:

MEMBERSHIP REPORT**MERRY CHRISTMAS!**

Hello and I hope everyone had a wonderful and blessed Thanksgiving! Christmas is just around the corner and it's hard to believe the end of the year is almost here. I want to say how much I've enjoyed being Vice President of Membership for these last two years. It has really been an honor to get to know all the wonderful women and our associates so much better. With that said, I'd like to take this opportunity to welcome my successor in this role, Lisa Seligman-Kearby. She will be an awesome addition to the RCRW Board. Please give her a warm welcome and support as she settles into her new role and give her time to get acclimated and learn the "ropes". We had a great turnout at our November General Meeting, and we have several new members and renewals. I'd like to take this opportunity to say welcome to RCRW if you've just joined and also to our members who've renewed. They are as follows:

VP POLITICAL ACTIVITIES

Merry Christmas and Happy Holidays to everyone!

As the year closes, I want to personally thank everyone for working so hard for our local community. The November election was bittersweet in the sense that Republicans did great in our county, but in our state and country we still have unfinished business.

At our November meeting, Tiffany reminded everyone that small clubs throughout the state report thousands of hours each quarter. Let's finish off the year showing TFRW and NFRW all the time spent on behalf of our party! Fourth quarter political activity hours will be due the 1st week of January, however, if you have any unreported hours dating back to July, let me know. I'd love to answer any questions you have. Contact me at 817-614-7361.

May this season be a special time for you and your family.

Toni Felts, Vice President Political Activities

TEXAS STATE SENATE DISTRICT 2

Prohibiting schools from requiring COVID vaccine for admission. On November 17, 2022, Governor Abbott wrote to the Texas Education Agency (TEA) and superintendents reminding them that, in Texas, parents get to choose what is best for the health and well-being of their children, and as such, school districts must accept vaccine exemptions and cannot require the COVID vaccine as a requirement for admission. We want to thank Governor Abbott for his leadership in taking steps to ensure that, despite the recent recommendation from the CDC, the questionable COVID vaccine is not going to be a requirement for enrollment in Texas schools. The Department of State Health Services (DSHS) should take note of the governor's sentiment and take steps to ensure the COVID vaccine is not added to the required Texas childhood immunizations. Also, as a public health service, DSHS should inform the public of the true risks and benefits of the experimental COVID vaccines.

This public health service should include, at a minimum, accurate information on all possible adverse reactions, including the possible long-term impacts on the immune system, an increased risk of heart, liver, and kidney diseases, unknown effects on fertility, and increased cancer risks. The TEA should use this opportunity to take positive action to remind school districts that they do not have the authority to require the COVID vaccine and that they must accept vaccine exemptions as required by law. Vaccine exemption affidavits can be easily requested through the DSHS website. After filling out the request form, the affidavits will be mailed by DSHS to the recipient. Once received, the form must be notarized before being submitted to the school or daycare facility. While the governor's actions are a good start, we must see legislation this upcoming session that will take this recommendation and make it law. No experimental, untested, or highly contentious vaccine should ever be mandated for school enrollment.

TEXAS HOUSE REPRESENTATIVE HD 33**88th Legislative Regular Session Preview**

Dear Texas House District 33 Constituents:

I sincerely hope that you and your family are enjoying the Thanksgiving and Christmas seasons. This is a time of year to give thanks and gratitude to God and to enjoy time with friends, family and loved-ones. Neely, the girls and I have a lot to be thankful for.

First, I would like to thank you all for your continued support of our campaign and family. With margins of 70% and 65% in our primary and general elections, we enjoyed comfortable victories respectively in March and November. For that I thank you all who voted to send me back to Austin. We have accomplished a lot in 6 years, but there is still a lot of work to be done.

I would like to outline some of the most important issues that Texas faces in the coming session and over the next decade. That said, there are a lot of issues that are important to you and I want to hear from you. In no particular order or importance, the following policy issues are what will be my primary focus in the session.

Budget & Fiscal Policy

As always, the Republican-led legislature is focused on controlled spending, fiscal constraint and a balanced budget. This year we will have a record budget surplus due to inflation in sales tax in which we will debate and address important issues like Buying Down Property Taxes, Property Appraisal Reform, School Safety, Transportation, Water Infrastructure and funding much needed improvements to vital state agencies like the PUC, Texas Juvenile Justice Department and the Department of Family and Protective Services. I agree with Governor Abbott that a large portion of the surplus should be returned to Texans. I look forward to working closely with Governor Abbott, Speaker Phelan, and my House colleagues on the details of how to best deploy surplus funds to provide the greatest benefit to Texans.

Border, Immigration and Crime

As our state continues to struggle with the problems of crime, drugs and security concerns along the 1,250 mile southern border with Mexico, we must continue to remain vigilant in funding our Texas Department of Public Safety and Texas Military in defending our State from dangerous cartels, drug and human trafficking via illegal border crossings. Border Security must remain a top priority as we await help from the Federal Government; which unfortunately appears could be 2 or more years from now.

Economy, Business & Jobs

The Economy, Job Outlook and Business Climate are strong in Texas. We must continue to foster a predictable legislative and regulatory environment for Economic Development that promotes low taxes, capital investment and a highly-skilled workforce for job creation. Texas continues to be the leading state in the country for attracting and retaining high quality workforce talent, as well as a leader in educating top talent with Tier 1 and Tier 2 research institutions across the state.

Public & Higher Education

That starts with funding and supporting Public and Higher Education in Texas. I have long been an advocate for students, teachers and administrators in Texas and will continue to be a supporter for Texas Public Schools and institutions of Higher Education. This includes working towards a permanent Cost-of-Living-Adjustment for Texas' retired teachers.

School Safety

Not only is educating our students and supporting their teachers and administrators important, but it is imperative we address Mental Health and School Safety in Texas schools. We can and must do better.

Safe Communities

Texas communities thrive when our police officers, firefighters and emergency responders feel valued and are well-resourced by their local, state and federal partners. Businesses invest and create jobs in communities where there are quality schools and their citizens feel safe. We must continue to back our first responders by always funding and defending them.

A Reliable Texas Grid

As Vice Chairman of the Texas Sunset Advisory Commission, we are working on very important issues such as the operation, administration and reliability of the Texas Electric Grid as we review the efficiency and effectiveness of the PUC and ERCOT this session. These hearings are already underway and I look forward to addressing these concerns.

Champion Conservative Causes

As conservatives, we have led the way on issues of life and individual liberties. I will continue to be 100% pro-life, support the 2nd Amendment, religious liberty and the family values that make Texas the best state in the country to live in, work, start a business and raise your children.

Republican Members of the Texas House Unified Behind Dade Phelan to Serve as Speaker of the House.

Today, the members of the Texas House Republican Caucus met for the Caucus' Selection of its Endorsed Speaker Candidate for the upcoming 88th Legislative Session. The Texas House Republican Caucus has selected State Representative Dade Phelan as its Endorsed Speaker Candidate by a count of 78-6. I proudly support and voted for Speaker Phelan and look forward to working with him this session. I will cast my official vote for Dade Phelan on January 10, 2023. Under his leadership, we passed into law the strongest pieces of pro-life, election integrity and gun legislation in Texas history — making Dade Phelan our State's most conservative Speaker of the House ever. I was proud to work with Governor Abbott, Lt. Governor Patrick and Speaker Phelan to make Texas a 2nd Amendment Sanctuary State. A special thanks to Sen. Hall for carrying my bill, HB 2622, in the Texas Senate.

Thank you for allowing me the opportunity and honor to represent you in Austin. Please do not hesitate to contact me this session with any questions, concerns and opinions.

I want to wish all a very Merry Christmas and a Happy New Year. I would also like to thank all of you hard-working ladies who supported our Republican Party. Our 88th Legislative session begins in January, and we need to stay focused on our objectives. We need to reach out to new members and get more ladies involved in our organization. Again, Merry Christmas and see you next year.

TFRW REPORT

TEXAS FEDERATION
of
Republican Women

President's Pen

What an amazing year 2022 has been. As TFRW President, I am honored and thrilled to travel our great state and get to know YOU our members, make new friends and learn what YOUR clubs are doing. It also gives me the opportunity to share YOUR excellent ideas with other clubs. Whether your club has 10 or 400+ members, and whether your club is brand new or has been going strong for over 60 years, YOU are crucial to our success, and I am humbled to serve as YOUR president.

With 2023 approaching at light speed, TFRW is preparing for the next year and 2024. Planning, setting goals and evaluating progress are crucial to the success of an organization. That is why on Nov. 11-12th your elected officers met to review what was accomplished in 2022, what needed to be tweaked, and what needed to be planned for 2023.

My overriding goal is that TRFW is no longer the best kept secret in Texas. TFRW is made up of informed, hardworking, politically astute women who love Texas and are willing to use their talents to campaign tirelessly for our Republican candidates, promote Republican principles, and educate our members and the community. It is fabulous that we have 12,000 members, but we need more as we move toward 2024.

We are rolling out a new TFRW push-card and testing methods of communicating with women who are not TFRW members. It is our 2023 goal to do everything we can to put Texas in the best possible position we can be in for the 2024 election.

At the retreat, we discussed sending out a short member survey to help plan for 2023. I hope many of you completed the survey. If you did not, please click [HERE](#). 200+ women have responded but we hope to receive more input.

The 88th legislative session will begin on January 10th and our TFRW Red Heels will hit the Capitol halls soon after. With hundreds of bills already filed, it promises to be a very exciting, lively session. To prepare TFRW members for the session, our biennial Legislative Day will be held on Friday, February 3rd, at the AT&T Conference Center. The day will be structured like our 2021 Legislative Day, full of exceptional training on how to follow a bill, how to testify, and how to contact your elected official. Elected officials will join us and you'll have an opportunity to visit with them.

I hope you can also stay for our 1st Quarter Board meeting on Saturday, February 4th. In addition to excellent networking and learning more about TFRW, we will elect the Nominating Committee that will determine our 2024-25 TFRW Officers Slate. Please click [HERE](#) to learn more if you are interested in running for the Nominating Committee.

How to help members take the next step in TFRW Leadership was an important discussion at our officer retreat. The current Board wants all members to be provided the information needed about leadership positions so you can make educated, informed decisions when considering moving into new roles. Zenia Warren's upcoming newsletter articles will provide important information about running for office, District Director, or seeking appointment as a Deputy President, standing or special committee Chair. Thank you Zenia for sharing this information over the next few issues of the TFRW Today newsletter.

We also have several informative guest speakers scheduled to speak at the Board meeting so please join us. YOU, our members are a source of information to friends and family, and it is our Board's goal to ensure you are informed on all topics impacting Texas and our country.

I wish you Merry Christmas and Happy Hanukkah and pray you and yours are filled with peace and joy this holiday season and in the New Year.

Kit Whitehill TFRW President

Legislative Day Update

I hope that this update finds you all feeling blessed. We have so much to be thankful for following the November election!

We held all of our statewide offices and gained a seat in the state house and in the state senate, we are spreading the Republican philosophy and making gains in South Texas, and most importantly, the good Lord let us get up this morning. As we enter the season where many of us celebrate the birth of our Savior Jesus Christ while other of our members celebrate Hanukkah, my hope is for the gift of peace and unity for our members, their families, and their friends.

I also hope that each of you will give yourself a gift: Registration for Legislative Day! Legislative Day is on Friday, February 3rd, and it will be a day of training and presentations by an amazing cast of Republicans with extensive experience in Texas government. We recognize that Biden's inflation has impacted us all, so we are holding our registration cost at 2021 levels – Early Bird registration for Legislative Day and Luncheon will be \$85. Hotel rates at the AT&T Conference Center are \$219 per night excluding taxes and parking. This is the lowest price available in the immediate area, so you'll want to book your hotel room as soon as possible. We will be sending out the registration and hotel reservation links for Legislative Day soon.

For those who can schedule to arrive early on Thursday, February 2nd, we'd love for you to meet us at the Capitol for recognition in one of the Legislative Chambers and to get a group picture. You'll also have time to visit your local representatives. More specific details will be coming soon regarding Thursday's activities.

The 2023 Legislative Session will be fast and furious. The Regular Session begins on January 10th and runs for 140 days through May 29th. The last day to file a bill (the 60th day) is March 10th, but thousands of bills will be filed prior to the beginning of the session. Returning incumbents began filing bills on November 14th, so hundreds of bills have been filed. See Filed House Bills and Filed Senate Bills.

As an organization, TFRW primarily will follow bills relating to Education and Election Integrity. These two legislative priorities may encompass dozens of bills, so we will keep you posted about the ones we are following that are moving (to committee hearing and beyond). And, Legislative Day training will prepare you to follow these bills and as well as those in which you have a personal interest and show you how to share your opinions and feedback to committees and representatives handling those bills. So register early and join us in Austin in February 2023!

I'm excited to share my knowledge and the knowledge of our speakers with you as we continue to build strong leaders for Texas.

I wish you all a safe and blessed Christmas and Hanukkah

Robbi Hull, VP Legislation
